Scholar Pack

Can your School Help?

There are many schools in Africa and around the world that have little or no reading or writing material. Sometimes the only person with a book or writing material is the teacher.

Tools with a Mission are working with these schools to provide suitable textbooks, and with your help would like to provide individual 'Scholar Packs' for each child to help with their learning.

We will supply plastic document wallets and ask you to fill them with the following new items:

- A4 Writing Pad
- Pack of Pencils and Biro Pens
- Pack of Colouring Pencils, not felt tip
- Geometry Set. i.e. ruler, protractor and square.
- Rubber and Pencil Sharpener
- Small Calculator

(These items should cost no more than £4.00)

This personal gift to a child will become a treasured possession and a useful tool for their education

When each wallet is returned we would ask for a donation of £2.00 to help with the packaging, shipping and distribution.

**If you can help to provide these packs
